

The New FreeWheeler's Website is Live!

- The website is at the same URL as always: <https://rvwfreewheelers.org/>
- An **Account Username** is required for all logins, regardless of membership type.
- Household members share the same Account Username and Password.
- Your Account Username is not used as an identifier on the site, only to log in.

Set Your Password

If you don't know your temporary Account Username, use the "Forgot your username or password?" link on the Login page.

The diagram illustrates the process of setting a password through five numbered steps:

- Step 1:** Click *Login* on the menu bar. The image shows the FreeWheeler's website header with a navigation menu where the 'Login' link is highlighted with an orange arrow pointing to a blue circle with the number 1.
- Step 2:** Click *Forgot your username or password?* link to open the Get Your Username page. The image shows the 'Login' form with a link labeled 'Forgot your username or password?' highlighted by an orange arrow pointing to a blue circle with the number 2.
- Step 3:** Enter your email and click Get Username. Email should arrive in a couple minutes. The image shows the 'Get Your Username' form with an 'Email' field and a 'Get Username' button. An orange arrow points from a text box describing this step to the button.
- Step 4:** Return to the Login page to use the Reset Password button. The image shows the 'Get Your Username' form with a 'Reset Password' section containing a 'Reset Password' button. An orange arrow points from a text box describing this step to the button.
- Step 5:** Enter your Account Username and click the button. Email should arrive in a couple minutes. The image shows the 'Reset Password' form with a 'Username' field and a 'Get New Password' button. An orange arrow points from a text box describing this step to the button.

Reset Password

Enter your new password below.

Confirm New Password *

Please use a strong password with 8 or more characters. Passwords that consist of special characters (&#%!@), upper case/lower case characters and numbers are considered strong.

Reset Password

Click the Reset Password button in the email to access the form and set a new password.

Set your password then log into site.

If you login but still see a Login link in the menu instead of Logout, **refresh your browser** to reload the page.

(Optional) Change Your Account Username

Account Usernames are automatically generated. You can keep the assigned name or create a new one using this process.

- Click on **My Profile** in the Menu bar.

- Click the Edit button and change your Account Username

The screenshot shows a form with two main sections: 'Account Username' and 'Account Password'. The 'Account Username' section has a text input field and a note: 'MINIMUM 8 CHARACTERS (MAXIMUM 20)! This name and password will be used for all members on the account to log in. Password reset requests will go to the first member in the form. -- DON'T FORGET TO STORE YOUR LOGIN NAME --'. The 'Account Password' section has a text input field and a list of requirements: 'Eight characters minimum', 'One lowercase letter', 'One uppercase letter', 'One number', and 'One special character'. A note below the password requirements says '-- DON'T FORGET TO STORE YOUR PASSWORD --'. A grey callout box on the right says 'You do NOT have to fill in these two fields to change your Account Username.' An orange arrow points from a white callout box 'This is the only field you edit to change your Account Username.' to the 'New Account Username' input field. Below this field is a note: 'Only to change your Account Username. Use 8-20 characters. NOTE: YOU WILL BE LOGGED OUT WHEN CHANGED.'
